

# DELAWARE STATE MEDICAL JOURNAL

VOLUME 24—1952 INDEX TO TITLES AND AUTHORS

- |  |     |   |     |
|--|-----|---|-----|
| Achalasia, Esophageal, Intractable, Surgical Methods in [Herbert R. Hawthorne et al] .....   | 306 | BAILEY, WALTER L.: Antibiotics in Orthopedic Surgery .....                  | 168 |
| Alcoholic and Amnesic Patient Treated with Carbon Dioxide [Richard H. Phillips] .....        | 208 | Behavior, Key to Human [A. W. Gottschall] .....                             | 195 |
| Antibiotic Sensitivity Testing [E. G. Scott] .....   | 178 | Black Widow Spider Bite [Casimir Vileisis] .....                            | 159 |
| Antibiotics in Cardiovascular Diseases [J. Richard Durham] .....                             | 173 | BOGASH, ROBERT: Sodium Cellulose Sulfate .....                              | 100 |
| Antibiotics in Diseases of Gastrointestinal Tract [L. Lewis Chipman, Jr.] .....              | 176 | BOINES, GEORGE J.: Sludged Blood in Poliomyelitis .....                     | 43  |
| Antibiotics in Gynecology [S. W. Rennie] .....   | 169 | Breast Cancer, Importance of Early Diagnosis of [John F. Hynes] .....       | 125 |
| Antibiotics in Neurosurgery, Use of [P. D. Gordy] .....                                      | 167 | BRESLER, R. RALPH: Industry's Challenge to Medicine .....                   | 273 |
| Antibiotics in Orthopedic Surgery [Walter L. Bailey] .....                                   | 168 | CANNON, NORMAN L.: Early Diagnosis of Cancer of Prostate .....              | 130 |
| Antibiotics in Pulmonary Diseases and Meningitis [G. Barrett Heckler] .....                  | 174 | Carcinoma Rectal, Diagnosis of [I. Lewis Chipman, Jr.] .....                | 132 |
| Antibiotics in Urology [John H. Furlong, Jr.] .....  | 170 | Cervix, Carcinoma of, Early Clinical Diagnosis of [Isadore Slovin] .....    | 128 |
| Antibiotics, Surgery and [Edward G. Laird] .....   | 165 | Cervix Uteri, Cancer of, Treatment of [John F. Hynes] .....                 | 286 |
| ARAUJO, DONS MARTENS et al: Acute Bacterial Endocarditis .....                               | 180 | Character Formation, Anal [Roy E. Reed] .....                               | 204 |
| Arterial Diseases, Treatment of Peripheral [Hugh Montgomery] .....                           | 83  | Chemicals and Health [John H. Foulger] .....                                | 265 |
| Arteriosclerotic Disease, Clinical Manifestations of [Att Tormet] .....                      | 327 | Chemotherapy in Ophthalmology and Otolaryngology [William T. Reardon] ..... | 172 |
| Atherosclerosis, Laboratory Tests in [Otakar J. Pollack] .....                               | 323 | Child Meets a New World in School [M. A. Tarumianz] .....                   | 189 |
| Atherosclerosis, Lipotropic Medication in, Fiction and Facts About [Otakar J. Pollack] ..... | 157 | Child, Understanding The Sick [Aurelia Lammers et al] .....                 | 255 |
| Audiology, Otolologic Applications of [E. R. Mayerberg] .....                                | 1   | Children, Psychiatric Treatment of, In-Patient [Dorothy Johnston] .....     | 200 |
|  |     | CHIPMAN, I. LEWIS, JR.: Diagnosis of Rectal Carcinoma .....                 | 132 |
